Haoquan,

The Committee for Undergraduate Admission has reviewed your application for admission to the Georgia Institute of Technology. After carefully considering your credentials, we regret to inform you that we are unable to offer you admission to the incoming class.

You were carefully evaluated individually and comparatively in our attempt to enroll the strongest students. This year's candidates were a diverse group of applicants whose talents and credentials were as numerous as they were outstanding. Our decision was not easy, but the process was thorough and fair. In the process of making our selections, we were regrettably aware that we would have to disappoint many good applicants who sincerely desire to attend Georgia Tech.

We appreciate the interest you have shown in Georgia Tech and wish you every success in your pursuit of higher education.

Sincerely,

A handwritten signature in black ink that reads "Mary Tipton Woolley".
